The YFM200 was powered by a four-stroke, 196 cc single-cylinder engine that relied on a capacitor discharge ignition system. 'This is a book about rural Australia, love gained and lost, and fighting for what you believe in. But, unlike many books in the same genre, *The Saddler Boys* subtly about so much more.' *Weekly Times* Schoolteacher Natalie has always been a city girl. She has a handsome boyfriend and a family who give her only the best. But she craves her own space, and her own classroom, before settling down into the life she is expected to lead. When Nat takes up a posting at a tiny school in remote Western Australia, it proves quite the culture shock, but she is soon welcomed by the inquisitive locals, particularly young student Billy and his intriguing single father, Drew. As Nat's school comes under threat of closure, and Billy's estranged mother turns up out of the blue, Nat finds herself fighting for the township and battling with her heart. Torn between her society life in Perth and the rural community that needs her, Nat must risk losing it all to find out what she's really made of - and where she truly belongs. Praise for Fiona Palmer 'Fiona Palmer just keeps getting better.' Rachael Johns 'Palmer's passion for the land bleeds into the story, and her scenes are vivid and genuine, just as her characters are.' *Book'd Out* 'Fiona Palmer has well and truly earned her place as a leading writer of one of Australia's much-loved genres.' *Countryman*

From one of Australia's favourite storytellers comes a heartwarming story spanning three generations about when to fight and when to surrender - and how new love can heal old wounds. Kim Richards is a creative woman of the land, a rural ambassador who's renowned for her contribution to her community. But deep down, she's lonely. She's already watched the man she loves fall for someone else, and her dream of starting her own family feels like it's slipping through her fingers. Enter Charlie McNamara, an older man who's arrived in Lake Grace on business. Sparks fly between Kim and Charlie, but he seems to have a hidden agenda and a past life he's trying to hide. They're both drawn to local hermit Harry, a Vietnam veteran who's haunted by memories from the war. What ties these lost souls together? Can they solve a long-held family mystery and heal fractures of the heart? 'Fiona Palmer has well and truly earned her place as a leading writer of one of Australia's much loved genres.' Countryman
