Address books are useful for keeping contact information all in one place, including names, addresses, telephone numbers, and email. Although modern technology, like phones, have somewhat replaced pen and paper, physical address books, rather than online address books, are useful to keep at home next to the phone.

Here's a pinstriped large print book with spaces to list nearly 400 names with their addresses, phone numbers, email addresses and notes. The clear, big type makes it especially easy for seniors or the vision-impaired. A great gift! Bold letters on the side of all the entry pages make its easy to sort by name (4 entries/page), and there's a letter index in the front of the book. There are also two pages at the front of the book for important contacts and medical/emergency contacts. Bonus: A state postal abbreviation guide and phonetic alphabet. Please note: This is a paperback (softcover) book, and it does not have tabs. Instead, letters are clearly printed on the outer edges of each address page. This book is letter paper size (8-1/2 x 11") and features big text to make it very easy to read -- the ideal large print address book for seniors!

Keeping track of friends, family, and coworkers has never been easier with this elegantly designed address book. Now a dead battery or lost phone won't leave you high and dry. You can record home addresses, phone numbers, and e-mail addresses of over 250 contacts across 13 alphabetical tabs, with an extra 14th specially for family members. It also comes with a helpful calendar, an atlas, and a comprehensive list of international calling codes, not to mention a lovely floral print cover that makes it a bright and stylish addition to anyone's daily planning kit.

Finalist for the 2020 Kirkus Prize for Nonfiction | One of Time Magazines's 100 Must-Read Books of 2020 | Longlisted for the 2020 Porchlight Business Book Awards "An entertaining quest to trace the origins and implications of the names of the roads on which we reside." —Sarah Vowell, The New York Times Book Review When most people think about street addresses, if they think of them at all, it is in their capacity to ensure that the postman can deliver mail or a traveler won't get lost. But street addresses were not invented to help you find your way; they were created to find you. In many parts of the world, your address can reveal your race and class. In this wide-ranging and remarkable book,

Deirdre Mask looks at the fate of streets named after Martin Luther King Jr., the wayfinding means of ancient Romans, and how Nazis haunt the streets of modern Germany. The flipside of having an address is not having one, and we also see what that means for millions of people today, including those who live in the slums of Kolkata and on the streets of London. Filled with fascinating people and histories, The Address Book illuminates the complex and sometimes hidden stories behind street names and their power to name, to hide, to decide who counts, who doesn't—and why.
