Jesse Ventura has had many lives!as a Navy SEAL, as a star of pro wrestling, as an actor, and as the governor of Minnesota. His previous books, I Ain't Got Time to Bleed and Do I Stand Alone?, were both national bestsellers. Don't Start the Revolution Without Me! is the story of his controversial gubernatorial years and his life since deciding not to seek a second term as governor in 2002. Written with award-winning author Dick Russell at a secluded location on Mexico's Baja Peninsula, Ventura's bestselling book reveals for the first time why he left politics!and why he is now considering reentering the arena with a possible independent run for the presidency. In a fast-paced and often humorous narrative, Ventura pulls no punches in discussing our corrupt two-party system, the disastrous war in Iraq, and what he suspects really happened on September 11. He provides personal insights into the Clinton and Bush presidencies, and elaborates on the ways in which third parties are rendered impotent by the country's two dominant parties. He reveals the illegal role of the CIA in states like Minnesota, sensitive and up-to-date information on the Blackwater security firm, the story of the American spies who shadowed him on a trade mission to Cuba, and what Fidel Castro told him about who really assassinated President John F. Kennedy. This unique political memoir is a must-read for anyone concerned about the direction that America will take.

In Sh't Politicians Say, Jesse Ventura shares the most entertaining and disturbing 'thoughts' from his political brethren, including these winners: 'The concept of global warming was created by and for the Chinese in order to make U.S. manufacturing non-competitive.' 'Donald Trump 'I am not worried about the deficit. It is big enough to take care of itself.' 'Ronald Reagan 'I think gay marriage is something that should be between a man and a woman.' 'Arnold Schwarzenegger 'I love California, I practically grew up in Phoenix.' 'Dan Quayle 'A zebra does not change its spots.' 'Al Gore 'People have got to know whether or not their president is a crook. Well, 'I'm not a crook. 'I've earned everything 'I've got.' 'Richard Nixon 'Death has a tendency to encourage a depressing view of war.' 'former Defense Secretary Donald Rumsfeld 'I'll be long gone before some smart person ever figures out what happened inside this Oval Office.' 'George W. Bush From bigoted statements to outright lies . . . flip-flopping to just TMI, Sh't Politicians Say will provide readers with a welcome respite from the presidential campaigns.
