Hired by a mob boss who wants to use her psychic talents to assist in some of his business matters, Abby Cooper finds herself working for both sides of the law when the police ask her to uncover the identity of a man who has been attacking women.

When a childhood friend asks her to come to Denver, Colorado, and fill in for a missing bridesmaid, professional psychic Abby Cooper, in desperate need of a change of scenery, finds herself immersed in a matrimonial mystery when the wedding party starts rapidly disappearing. Original.

Once again Abby Cooper ' s abilities are in high demand. But this time she won ' t just be finding a deadly criminal—she ' ll be helping one. It ' s fall in Detroit, and psychic intuitive Abby Cooper is falling to pieces. She was about to nestle into her cozy, almost-renovated new house, and into the arms of FBI agent Dutch Rivers. Then, faster than you can say trick-or-treat, it all fell apart with one phone call. As a favor for a friend, Abby agrees to read tarot cards at a wedding, and finds herself predicting the future for some very shady guests. Word of her talents reaches a mob boss who wants her help in some business matters, and he doesn ' t take no for an answer. Now she ' s working for both sides of the law when the police seek out Abby ' s psychic intuition in order to shed some light on a masked man who ' s been attacking women, before he strikes again. With all of Dutch ' s time going to a big FBI case and his sultry new partner, Abby ' s on her own—leading her to wonder...why didn ' t I see this coming?

Professional psychic Abby Cooper has invested in a fixer-upper, hoping to make a killing in the real estate market. But a killing of another kind puts her plans awry, as the ghost of a murdered woman and some troublesome poltergeists lead her into a mystery that stretches all the way back to World War II.

Professional psychic Abigail Cooper is used to dealing with skeptics, but even she's ready to cry "uncle!" when she's forced to work with a true non-believer bent on proving her a fraud. Business has been frustratingly slow for Abby who needs any new commission she can get, even if it means agreeing to a job with the FBI that puts her at the center of an internal political struggle between two powerful agents, one of whom is the flinty lead investigator and confirmed skeptic Brice Harrison. Abby's skills are continually tested – along with her patience – as she works to convince Harrison that she's not only the real deal, but can help him locate three college teens who've mysteriously disappeared. Abby's intuition tells her these are no random abductions—and foresees another victim being kidnapped. To get to the bottom of the case, she and Harrison will have to put their differences aside and work together to find the connection between the missing kids. And to do that, Abby will have to win Harrison over, while keeping her psychic eye wide open.

While in Las Vegas, psychic Abby Cooper has disturbing visions of her FBI agent boyfriend's death during their search for his cousin Chase, who was kidnapped after a bloody shootout in an alleyway.

Clairvoyant private eye Abigail Cooper is excited to marry her beau, but planning the affair has never been her first love. So when Abby hears of a case involving a missing young mother, she ' s ready to escape the world of wedding details and engage in some serious psychic sleuthing. TROUBLE CAN COME IN THE BLINK OF AN EYE.... When a mysterious client approaches Abby about a young mother who ' s vanished, Abby is more than willing to get involved. After all, it ' s the perfect distraction from dealing with the headache of her sister, Cat—who has flown into town and turned Abby and Dutch ' s impending nuptials into Weddingpalooza. After Abby recruits her business partner and BFF, Candice, to assist, they meet with the parents of the missing woman. But the parents refuse to put their faith in a psychic. What ' s worse, the family suspects Abby has a connection to their daughter ' s husband—the man they believe to be responsible for her disappearance. With the family blind to the truth and a potential killer in her sights, Abby is determined to keep her eyes wide open....

Having a hard time recovering from a gunshot wound from her last case, Abby Cooper decides to help her boyfriend Dutch with some of his FBI cases, hoping this will help her intuition return.

Abby Cooper's next mission may truly be impossible... Abby Cooper, the FBI's newest Civilian Profiler, is adding Spy to her resume. The military's digital photography software that captures one's aura- just like Abby can-sits in a drone aircraft that's been stolen. It's a major breach in security as every country's leader can be identified by their aura... Abby springs into action to stop the criminals before they set their diabolical plan into motion, while making herself a prime target.
