Chapter 7: Bernard and Lenina enjoy the reservation ceremony and are surprised to find a blond haired boy (John) who speaks perfect English. They meet his mother, Linda, who had been abandoned ...

Welcome to New London. Everybody is happy here. Our perfect society achieved peace and stability through the prohibition of monogamy, privacy, money, family and history itself. Now everyone belongs. You can be happy too. All you need to do is take your Soma pills. Discover the brave new world of Aldous Huxley's classic novel, written in 1932, which prophesied a society which expects maximum pleasure and accepts complete surveillance - no matter what the cost.

This collection brings together some of Aldous Huxley's most famous works, all of which center around his ideas about the future of the human race. Huxley's most famous work, Brave New World takes the principles of consumerism and mass production to the extreme in the high-tech dystopian future which he imagined was in store for humanity. In Island, written as a counterpart to Brave New World, Huxley offers an oppositional view: the idea of a utopian society where personal desire and social norms exist in perfect harmony. Lastly, this volume contains Huxley's essay Brave New World Revisited , which re-evaluates humanity's decline towards the dystopian future Huxley imagined in Brave New World nearly thirty years before. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

When Aldous Huxley wrote his famous novel Brave New World, he did so with the sincere belief that the dystopian world he created was a true possibility given the direction of the social, political and economic world order. Written almost thirty years later, Brave New World Revisited is a re-evaluation of his predictions based on the changes he had witnessed in the meantime. In this twelve-part essay, Huxley argues that society is moving toward his dystopian vision even faster than he had originally assumed, and provides his own suggestions on how to bring an end to this decadent decline. Brave New World Revisited condemns symptoms of modern life such as overpopulation, propaganda and extreme government control while providing a staunch defence of individualism. Despite being published over fifty years ago, the problems identified in Brave New World Revisited are still startlingly relevant, lending a chilling credibility to Aldous Huxley's unsettling predictions. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library.

Kek comes from Africa. In America he sees snow for the first time, and feels its sting. He's never walked on ice, and he falls. He wonders if the people in this new place will be like the winter - cold and unkind. In Africa, Kek lived with his mother, father, and brother. But only he and his mother have survived, and now she's missing. Kek is on his own. Slowly, he makes friends: a girl who is in foster care; an old woman who owns a rundown farm, and a cow whose name means "family" in Kek's native language. As Kek awaits word of his mother's fate, he weathers the tough Minnesota winter by finding warmth in his new friendships, strength in his memories, and belief in his new country. Bestselling author Katherine Applegate presents a beautifully wrought novel about an immigrant's journey from hardship to hope. Home of the Brave is a 2008 Bank Street - Best Children's Book of the Year.

What happens when media and politics become forms of entertainment? As our world begins to look more and more like Orwell's 1984, Neil's Postman's essential guide to the modern media is more relevant than ever. "It's unlikely that Trump has ever read Amusing Ourselves to Death, but his ascent would not have surprised Postman." -CNN Originally published in 1985, Neil Postman's groundbreaking polemic about the corrosive effects of television on our politics and public discourse has been hailed as a twenty-first-century book published in the twentieth century. Now, with television joined by more sophisticated electronic media—from the Internet to cell phones to DVDs—it has taken on even greater significance. Amusing Ourselves to Death is a prophetic look at what happens when politics, journalism, education, and even religion become subject to the demands of entertainment. It is also a blueprint for regaining control of our media, so that they can serve our highest goals. "A brilliant, powerful, and important book. This is an indictment that Postman has laid down and, so far as I can see, an irrefutable one." -Jonathan Yardley, The Washington Post Book World

From the salons of Oscar Wilde's decadent London to the modern bohemian radicalism of Bloomsbury, Aldous Huxley's Eyeless in Gaza offers us a portrait of early twentieth century England through the lens of Anthony Beavis, a rakish upper-class Englishman whose story loosely parallels that of the author's own life. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

Experience historic events through the eyes of Maximilian P. Mouse, Time Traveler! Max was hoping the fifth time would be the charm and he would land at home in 2013. Unfortunately, the time machine still isn't working! Maximilian finds himself on the deck of a new ship in the year 1920. This one is also full of passengers, but these people are immigrants making their way to Ellis Island and a new life in New York City. Maximilian is amazed by the stories of the immigrants and entranced by the beauty of the Statue of Liberty welcoming them to their new home. But, he is concerned about a new crack in the time machine's shell. Will he ever get home to help his family save Tanner's Glen? Calico Chapter Books is an imprint of Magic Wagon, a division of ABDO Group. Grades 3-6.

Substitute middle-school history teacher Rush Revere takes his students back in time to experience American history as it happens aboard the Mayflower and on Plymouth Plantation.
