~~Doctor Lodi: Healing Cancer Naturally Chemotherapy Heals Cancer And The~~

In Lothar Hirneise's book "Chemotherapy Heals Cancer and the World is Flat", we are presented with a level headed and scientific view of Alopathic medicine and its counterpart Alternative medicine. We are educated on the fact that the alternative existed for hundreds of years without employing poison to cure and given abundant examples of existing treatments that are both available and affordable.

The following is an extract from eminent cancer treatment researcher Lothar Hirneise's book "Chemotherapy Heals Cancer and The World Is Flat" published in autumn 2005, complemented by its extensive table of contents. Contrary to what its title suggests, this is an "encyclopedic" comparative reference and guide book as well as a fascinating read on both the holistic "alternative" approaches to healing cancer and the conventional or orthodox allopathic treatment of the variegated ...

~~"Chemotherapy Heals Cancer and The World Is Flat"~~

Chemotherapy may be used to shrink a cancer before surgery or radiotherapy. To reduce the risk of cancer coming back after surgery or radiotherapy (adjuvant chemotherapy) Chemotherapy may be used after other treatments to treat any remaining cancer cells in the body. This can reduce the risk of cancer coming back.

~~Chemotherapy - Macmillan Cancer Support~~

Lothar Hirneise, author of Chemotherapy Heals Cancer and the Earth is Flat, in addition to providing an extensive compendium of factual information and resources regarding conventional and alternative cancer treatments, also succeeds in conveying the type of urgent advice desperately required but tragically not provided which could be an invaluable life-saver for each newly diagnosed cancer patient about to undergo treatment. His strategy and advice, based on some 20 years' of experience ...

Cancer treatments come with a host of unpleasant, painful, and confusing side effects—as if cancer itself isn't difficult enough! Not only can chemotherapy, radiation, and various oral medications cause nausea, extreme tiredness, and hair loss—but they can also contribute directly or indirectly to Plantar Fasciitis and heel pain.

Chemotherapy medicine can work throughout your body so it can be a good treatment for cancer that has spread away from the original tumour. It may be used to cure or control your cancer, or to ease your symptoms. Not all cancers are treated with chemotherapy. Some cancers are sensitive to the chemotherapy medicines, but some aren't.
