Dr. Don Raunikar delves into the real issues to offer proven, biblical principles for creating godly relationships and a deeply satisfying courtship. Read this book—and be ready for romance God's way. "Dr. Don Raunikar offers hope for the single man or woman who is disillusioned with the modern dating scene. Drawing upon time-tested biblical principles, Dr. Raunikar makes a convincing case for the benefits of a courtship based on God's wisdom, versus a dating relationship based on man's." Bill Bright Founder, Campus Crusade for Christ International "I feel like Choosing God's Best was written specifically for me. Few would argue that the current system of dating isn't in desperate need of reform. Dr. Raunikar goes even further with his radical, biblical solution to the perils and pitfalls of dating. Thanks, Dr. Raunikar, for being a radical." Derek Webb Singer/songwriter "I'm so glad to see a book addressing what I've called the 'dating mess.' Choosing God's Best is straightforward and scriptural. I especially appreciated the explanation of the categories of dating, which are seldom understood." Elisabeth Elliot Author and speaker "I wish this book had been around when I was dating. So much pain, so many missed opportunities, and so many mistakes could have been avoided if I had used these principles." Get Untied from Your Past Sex is like glue. Super human glue. Inside marriage, God designed it to be a bond that is powerful and unifying. Outside of marriage, the bonds of sex can be devastating. Long after the lover is gone, the bond we've created stays with us, negatively impacting our lives and future relationships. Now, through an impressive combination of Scripture and scientific research, Barbara Wilson shows how God designed us to be uniquely bonded through sex. But even more so, she concentrates on the tangible hope that is yours. This book will equip you not only to break those bonds, but to embrace a new, abandoned, wise, and thankful heart. You've had sex. But now sex has you. It's a past that haunts the present. Sabotaged relationships, low self-esteem, sexual dysfunction, an empty spiritual life. Sex will bind you up and tie you down. Why? It's just sex. But "just sex" means your body, soul, mind, and spirit have become one with another. Released from a past of her own, Barbara Wilson now combines scientific research with Scripture to offer striking new insights about what sexual bonding is, why it is harmful, and how to move freely into your future. Complete with a study guide for group or personal use, The Invisible Bond is your hands-on tool for changing not your past...but your life. "Barb's honesty and vulnerability will inspire you to let God do in your life what He has done in hers, mine, and millions of other lives. He has set us free from self-defeating guilt and shame, helped us embrace our sexuality rather than fear it, and taught us how to enjoy genuinely healthy, intimate relationships. If that sounds appealing to you, then you hold the right book in your hands." Shannon Ethridge Bestselling author of the Every Woman's Battle series Story Behind the Book As abstinence director and educator for a Sacramento pregnancy center, Barbara Wilson talks to wounded and bleeding hearts every day. They've lost the war on sexual purity and the daily consequences are their reality. All they want is hope—hope that they can be free from the pain and shame that their past drags into their present and future. This book reveals the negative impact of sexual bonding and offers steps to freedom from past sexual and emotional bonds. But even more, it offers new direction for the free heart, and how to embrace an abandoned, overflowing life!

Pain and shame are not for you. Here's how to permanently break the bonds of your sexual past and move into a new life of incredible freedom.

In Seductive Delusions, Gerard Henry addresses one of the most important topics of this millennium--sexuality and the new sexual ethic. Henry emphasizes how the bombardment of sexual images on TV, billboards, the Internet and other forms of media continually assaults the message of abstinence. In response, Henry walks readers through a mine field of lies while shining light on the truth as he speaks to the issues of lust and love, marriage and commitment, premarital sex and STDS, sexual attitudes and self-respect.

Drawing from a study of courtship media and ethnographic work at purity retreats and home-school conventions across the Midwest, this is the first inquiry into modern Christian courtship, an alternative to dating that asks young people to avoid both romance and sex until they are ready to be married. Bridging sociological and historical studies of American Christianity with youth and girlhood studies literatures, Elizabeth Shively finds that the courtship system is designed to shore up the patriarchal nuclear family structure at the center of conservative Christianity and ensure predictability in the face of emerging adulthood: single young women work to embody ideals of "luminous femininity" and model themselves after archetypes such as the "Proverbs 31 woman," the "stay-at-home-daughter," and the "mission-minded girl," and courting couples strive to "guard their hearts" against premature emotional intimacy. Nonetheless, participants report that courtship, like other relationships, inevitably carries an element of risk, and it ultimately fails to offer a substantial challenge to the sexist realities of youth dating culture.

Day Begins with Christ, is an inspirational non-fiction book. It focuses on Christian men and women who want to walk a better path with Jesus Christ. What makes my book more unique than the typical inspirational book is the journey that it takes you on to become one with Christ. It is a 50 day to day journey that helps strengthen the Christian faith. This book builds each person's character, journey on their godly path to walk with God, and encourages one to see what they can work on to make a better man or woman. It is personal, challenging, and understanding the Christian walk on a daily basis. Moreover, Day Begins with Christ educates, elaborates, and explains the social, psychological, spiritual, and physical conditions of man/woman's relationships with God. God has placed a passion in Adrienna to write and to get His message out to the world.

The pages of this daily devotional take readers through a proven process of Scripture reading, teaching, application, and prayer, written to be understood by anyone who seeks a deeper Christian walk.

This daily devotional book has been a God-led inspiration from its very start-up; from its original Bible verse and note of encouragement to some coworkers and family members to people around the world via my email network. Our God is so awesome! I've had people return emails to me or speak to me and ask, "How did you know that I needed that today?" or "How did you know I was going through this?" That is when I thankfully remind them that God inspired each and every one of these devotionals. I am just being faithful and following His directions. Now I'm led to put them into a year of daily devotions book to reach others. Occasionally, my emailed devotionals have colored photographs that I take as God inspired message for the day. Unfortunately, I couldn't include those in this book. I did include a photo in grayscale at the beginning of each month; the cover photo is a God-blessed look at an Alaskan sunset. I am so thankful that God is working in my life. I want to encourage each of you to grasp hold of

whatever gift He has blessed you with and step out in trust and faith to go forth and to share it with others. When you feel down, just start counting each of the blessings God has touched you with in your life; and you will feel His Presence and comfort to encourage you. We are never alone; He is just a prayer away; nothing is impossible for our God. He is not done with us yet. He is asking us to be obedient in our service to Him, and He will help us grow in our faith. Trust in Him, and you will be astounded at what He has in store for you.

In his first letter to Timothy, the pastor of the church at Ephesus and his protégé in Christian life and ministry, the Apostle Paul exhorted him, "Discipline yourself for the purpose of godliness" (1 Tim. 4-7). Just two chapters later, the Apostle returned to this idea, encouraging Timothy to flee all sin and to "pursue ... godliness" (1 Tim. 6:11). Godliness is a recurring theme in Paul's epistle, urged especially upon men training to become leaders of the church as pastors and evangelists. But the pursuit of godliness is also commanded of all others who hunger and thirst to follow Jesus as His disciple. Attaining godliness looms large in the New Testament as the primary outworking of the greatest command in the Word of God, spoken by Christ himself: "You shall love the Lord your God with all your heart, and with all your soul and with all your mind" (Matt 22:37). In *Pursue Godliness: A Servant's First Priority*, the author seeks to answer the question, "What does the Bible teach about how a Christian can make major strides forward in his growth in godliness?" Letting Scripture speak for itself through over 1,450 passages, the meaning, priorities, primary qualities, and practices for significant progress in godliness are unfolded in this comprehensive introduction to the subject. While a detailed, in-depth treatment of this Scriptural topic, it is written in clear, easy-to-understand language, not requiring a theologian's training or vocabulary to understand. Read and grow. This is a book written for your transformation, for His glory!

Teaching pastor at the influential New Life Church in Colorado Springs, Colorado, Daniel Grothe explains the Bible's blueprint for becoming the kind of person who can deal with all of life's challenges. Some people have learned how to live. They can handle all that life brings. They are composed. They radiate strength. They are whole, with lives worth emulating, and when they speak people listen. They are, in a word, wise. How did these people get wisdom? And perhaps more importantly, how can we? In his long-awaited first book, Daniel Grothe of New Life church in Colorado Springs, Colorado, shows us how to get wisdom for ourselves by examining what the Bible has to say about it and by providing practical steps for acquiring it, among them: learning to ask for help, loving Scripture, going to Church, living quietly, and, above all, seeking those who are themselves wise. Drawing upon Scripture and upon his own experience learning from his friend and mentor Eugene Peterson, Grothe shows how our lives can be secured by the resource that will keep us from collapsing under the onslaught of the difficulties of life. Wisdom is available to us. It takes work to pursue it. *Chasing Wisdom* reveals how.
