advanced ESL learners. This second edition is ideal for self-guided study or as a supplement to your ESL coursebook. If you're an ESL student who would like to make English a part of your everyday life, ESL Grammar: Intermediate and Advanced is for you. The book is for anyone with a basic command of English grammar and vocabulary who wants to build their fluency and confidence. You will find this study guide and workbook to be an excellent resource that you can use as a supplement to your coursebook or on its own, whether you're at home, in school, or on the job. This new second edition expands the book's thorough coverage of the important intermediate and advanced grammar topics, with handy usage tips and easy-to-follow practice exercises in every section. The book has been enriched with current topics and examples designed to help you increase your fluency on your journey to mastering English as it's spoken by native speakers. We've included the most commonly confused words (including sound-alikes) to help you avoid the top mistakes English learners make. We show you how word families—groups of words formed from the same base or root word—will help you grow your vocabulary and understand what words mean even before you look them up in a dictionary. Many English words are borrowed from other world languages. This book will show you how to have fun with useful “loanwords” while you improve your vocabulary. We've added a new chapter on “Technology in Our Life Today.” Here you will find clear definitions of frequently used computer and technology terms to help you communicate effectively in today's digital world. Whether you're in school, managing a household, or looking for a job to advance

your career, this book will help you take command of English and express yourself with precision. Be sure to look for the companion volume, *ESL Writing: Intermediate and Advanced*, also by Mary Ellen Muñoz Page.

Join Us for English is a fully updated new edition of the highly successful *Join In*. This five-level course for young learners provides a motivating and enjoyable way to learn English. *Join Us for English* has been thoroughly restructured for optimum clarity and ease of use, and includes new artwork, topics, cartoon stories and songs. The revised course ties in with Common European Framework guidelines: It includes cross-curricular content and creates opportunities for self-assessment and portfolio building. It includes new culture pages, 'Project Time' and writing activities from level 2 onwards, plus a separate Language Portfolio for each level. The writing syllabus is specially designed to develop this skill in a fun and meaningful way. In the higher levels 'Look!' sections highlight key grammar structures which are then summarised in a 'Grammar Focus' at the end of the Pupil's Books. *Join Us for English* makes teaching English simple and enjoyable. Children love joining in the songs and action stories with Pit and Pat the wizards, Toby the Tiger and Magic the Cat. The range of supplementary components provides teachers with as much flexibility as they need.

Random select: review cards in a random order rather than sequentially
Studying each phrase through visualization and association will increase memory retention--helping you learn and speak French quickly!

REA's Interactive Flashcard books represent a novel approach which combines the merits of flash cards with the ease of using a book. One side of each page includes questions to be answered, with space for writing in one's answers — a feature not usually found on flash cards. The flip side of the same page contains the correct answers, much as flash cards do. English Vocabulary (Set #1) is fully indexed making it easy to locate topics for study. Thanks to the book form, there is no need to look for and fish out appropriate questions from a box and put them back in the proper order, and there is no need to carry around a box of 1,000 flash cards. The book is easier to take along and carry.

seen in a textbook. From casual greetings and cutting put-downs to explicit sex terms and filthy swear words, each flashcard presents a hip vocabulary word and example sentence on one side and an English definition on the reverse. It's a fun and fast way to learn the real Spanish spoken daily on the streets of Latin America and Spain. This deck is designed for readers to master Spanish and engage people in a foreign language on an entirely new level. With phrases like "I'm plastered!" and "Let's hit the clubs!", readers will be making new friends in no time. In addition to pickup lines and insults, the deck contains other contemporary slang like globos, literally "globes" but which can also refer to a woman's personal endowments; or malparido, which means "badly born," but can be used to call someone an a**hole. Featuring:

- Cool slang
- Funny insults
- Explicit sex terms
- Raw swear words
