If It Wasnt For That

If you talk about what would happen if it wasn't for someone or something, you mean that they are the only thing that is preventing it from happening. I could happily move back into a flat if it wasn't for the fact that I'd miss my garden. If it hadn't been for her your father would be

Acces PDF If It Wasnt For That

if it weren't for (someone or something) If someone or something hadn't helped, intervened, or affected the situation in some way. The phrase is always followed by an explanation of how things would have turned out different without someone or something. If it weren't for those quick-thinking bystanders, I
