Second, Paul referred to paradise when speaking of a heavenly vision. He wrote, "And I know that this man was caught up into paradise—whether in the body or out of the body I do not know, God knows" (2 Corinthians 12:3). Even Paul was not sure whether he was really in heaven or not. In either case, he described heaven as "paradise."

The bestselling final novel by a writer of incomparable range, power, and achievement, a three-time winner of the National Book Award. Peter Matthiessen was a literary legend, the author of more than thirty acclaimed books. In this, his final novel, he confronts the legacy of evil, and our unquenchable desire to wrest good from it. One week in late autumn of 1996, a group gathers at the site of a former death camp. They offer prayer at the crematoria and meditate in all weathers on the selection platform. They eat and sleep in the sparse quarters of the Nazi officers who, half a century before, sent more than a million Jews in this camp to their deaths. Clements Olin has joined them, in order to complete his research on the strange suicide of a survivor. As the days pass, tensions both political and personal surface among the participants, stripping away any easy pretense to resolution or healing. Caught in the grip of emotions and impulses of bewildering intensity, Olin is forced to abandon his observer ' s role and to bear witness, not only to his family ' s ambiguous history but to his own. Profoundly thought-provoking, *In Paradise* is a fitting coda to the luminous career of a writer who was “ for all readers. He was for the world ” (National Geographic).

A husband's secret life, a wife's new beginning: escape to the Caribbean with #1 New York Times bestselling author Elin Hilderbrand. Irene Steele shares her idyllic life in a beautiful Iowa City Victorian house with a husband who loves her to sky-writing, sentimental extremes. But as she rings in the new year one cold and snowy night, everything she thought she knew falls to pieces with a shocking phone call: her beloved husband, away on business, has been killed in a helicopter crash. Before Irene can even process the news, she must first confront the perplexing details of her husband's death on the distant Caribbean island of St. John. After Irene and her sons arrive at this faraway paradise, they make yet another shocking discovery: her husband had been living a secret life. As Irene untangles a web of intrigue and deceit, and as she and her sons find themselves drawn into the vibrant island culture, they have to face the truth about their family, and about their own futures. Rich with the lush beauty of the tropics and the drama, romance, and intrigue only Elin Hilderbrand can deliver, *Winter in Paradise* is a truly transporting novel, and the exciting start to a new series. "I will just say that, 24 hours after I started this book, I purchased its sequel, *What Happens in Paradise*, and I did not leave either book to be enjoyed by strangers at the end of my vacation." —Elisabeth Egan, *New York Times*

Spend your winter on sunlit shores in the New York Times bestselling follow-up to *Winter in Paradise*, as secret lives and new loves emerge under the bright Caribbean sky. A year ago, Irene Steele had the shock of her life: her loving husband, father to their grown sons and successful businessman, was killed in a helicopter crash. But

that wasn't Irene's only shattering news: he'd also been leading a double life on the island of St. John, where another woman loved him, too. Now Irene and her sons are back on St. John, determined to learn the truth about the mysterious life—and death—of a man they thought they knew. Along the way, they're about to learn some surprising truths about their own lives, and their futures. Lush with the tropical details, romance, and drama that made *Winter in Paradise* a national bestseller, *What Happens in Paradise* is another immensely satisfying page-turner from one of America's most beloved and engaging storytellers.

In midwinter 1920, Floyd Schmoie and his bride struggled up Mount Rainier on snowshoes on a long-delayed honeymoon. As the new caretakers at Paradise Inn, they would be alone in a towering world of snow and ice and incomparable beauty, until the plows arrived to free them on the fourth of July. So began a long love affair with Mount Rainier. And here is Floyd Schmoie's account of it; a delightful and informative portrait of a mountain through the seasons of the year.

From the author of the classic *A Little Life*—a bold, brilliant novel spanning three centuries and three different versions of the American experiment, about lovers, family, loss and the elusive promise of utopia. In an alternate version of 1893 America, New York is part of the Free States, where people may live and love whomever they please (or so it seems). The fragile young scion of a distinguished family resists betrothal to a worthy suitor, drawn to a charming music teacher of no means. In a 1993 Manhattan besieged by the AIDS epidemic, a young Hawaiian man lives with his much older, wealthier partner, hiding his troubled childhood and the fate of his father. And in 2093, in a world riven by plagues and governed by totalitarian rule, a powerful scientist's damaged granddaughter tries to navigate life without him—and solve the mystery of her husband's disappearances. These three sections are joined in an enthralling and ingenious symphony, as recurring notes and themes deepen and enrich one another: A townhouse in Washington Square Park in Greenwich Village; illness, and treatments that come at a terrible cost; wealth and squalor; the weak and the strong; race; the definition of family, and of nationhood; the dangerous righteousness of the powerful, and of revolutionaries; the longing to find a place in an earthly paradise, and the gradual realization that it can't exist. What unites not just the characters, but these Americas, are their reckonings with the qualities that make us human: Fear. Love. Shame. Need. Loneliness. *To Paradise* is a fin de siecle novel of marvelous literary effect, but above all it is a work of emotional genius. The great power of this remarkable novel is driven by Yanagihara's understanding of the aching desire to protect those we love—partners, lovers, children, friends, family and even our fellow citizens—and the pain that ensues when we cannot.

Travel to the bright Caribbean for love, romance, and passion in this sizzling summer read from a nationally bestselling author and "Queen of the Summer Novel" (People). After uprooting her life in the States, Irene Steele has just settled in at the villa on St. John where her husband Russ had been living a double life. But a visit from the FBI shakes her foundations, and Irene once again learns just how little she knew about the man she loved. With help from their friends, Irene and her sons set up their lives while evidence mounts that the helicopter crash that killed Russ may not have been an accident. Meanwhile, the island watches this drama unfold—including the driver of a Jeep with tinted windows who seems to be shadowing the Steele family.

## Read Online In Paradise And We

As a storm gathers strength in the Atlantic, surprises are in store for the Steeles: help from a mysterious source, and a new beginning in the paradise that has become their home. At last all will be revealed about the secrets and lies that brought Irene and her sons to St. John—and the truth that transformed them all.

"Berlin probably deserved a Pulitzer Prize." —Dwight Garner, *The New York Times*  
NEW YORK TIMES BOOK REVIEW EDITORS' CHOICE. Named one of the Best Books of 2018 by *The Boston Globe*, *Kirkus*, and *Lit Hub*. Named a Fall Read by *Buzzfeed*, *ELLE*, *TIME*, *Nylon*, *The Boston Globe*, *Vulture*, *Newsday*, *HuffPost*, *Bustle*, *The A.V. Club*, *The Millions*, *BUST*, *Reinfery29*, *Fast Company* and *MyDomaine*. A collection of previously uncompiled stories from the short-story master and literary sensation Lucia Berlin. In 2015, Farrar, Straus and Giroux published *A Manual for Cleaning Women*, a posthumous story collection by a relatively unknown writer, to wild, widespread acclaim. It was a *New York Times* bestseller; the paper's Book Review named it one of the Ten Best Books of 2015; and NPR, *Time*, *Entertainment Weekly*, *The Guardian*, *The Washington Post*, the *Chicago Tribune*, and other outlets gave the book rave reviews. The book's author, Lucia Berlin, earned comparisons to Raymond Carver, Grace Paley, Alice Munro, and Anton Chekhov. *Evening in Paradise* is a careful selection from Berlin's remaining stories—twenty-two gems that showcase the gritty glamour that made readers fall in love with her. From Texas to Chile, Mexico to New York City, Berlin finds beauty in the darkest places and darkness in the seemingly pristine. *Evening in Paradise* is an essential piece of Berlin's oeuvre, a jewel-box follow-up for new and old fans.

The harrowing story of the most destructive American wildfire in a century. There is no precedent in postwar American history for the destruction of the town of Paradise, California. On November 8, 2018, the community of 27,000 people was swallowed by the ferocious Camp Fire, which razed virtually every home and killed at least 85 people. The catastrophe seared the American imagination, taking the front page of every major national newspaper and top billing on the news networks. It displaced tens of thousands of people, yielding a refugee crisis that continues to unfold. *Fire in Paradise* is a dramatic and moving narrative of the disaster based on hundreds of in-depth interviews with residents, firefighters and police, and scientific experts. Alastair Gee and Dani Anguiano are California-based journalists who have reported on Paradise since the day the fire began. Together they reveal the heroics of the first responders, the miraculous escapes of those who got out of Paradise, and the horrors experienced by those who were trapped. Their accounts are intimate and unforgettable, including the local who left her home on foot as fire approached while her 82-year-old father stayed to battle it; the firefighter who drove into the heart of the inferno in his bulldozer; the police officer who switched on his body camera to record what he thought would be his final moments as the flames closed in; and the mother who, less than 12 hours after giving birth in the local hospital, thought she would die in the chaotic evacuation with her baby in her lap. Gee and Anguiano also explain the science of wildfires, write powerfully about the role of the power company PG&E in the blaze, and describe the poignant efforts to raise Paradise from the ruins. This is the story of a town at the forefront of a devastating global shift—of a remarkable landscape sucked ever drier of moisture and becoming inhospitable even to trees, now dying in their tens of millions and turning to kindling. It is also the story of a lost community, one that epitomized a provincial, affordable kind of Californian existence that is increasingly unattainable. It is, finally, a story of a new kind of fire

behavior that firefighters have never witnessed before and barely know how to handle. What happened in Paradise was unprecedented in America. Yet according to climate scientists and fire experts, it will surely happen again.

Marin Cole has never: Seen the ocean Climbed a mountain Taken a risk on love ....But if her sister's plan works, she just might do all three. Ever since her journalist mother died on assignment, Marin has played it safe, refusing to set foot outside the state of Tennessee. Her wild-child younger sister, Sadie, has trotted the globe as a photographer, living off of art and adrenaline. When Sadie returns from a tough assignment abroad and looks a little worse for wear, Marin reluctantly agrees to a sisters' spa weekend on the tropical island of Saba. But her lifelong fear of travel is affirmed when Sadie misses the flight, Marin's luggage gets mixed up with another passenger's, and an episode of turbulence sends her hurtling into the lap of Lucas Tsai, the handsome stranger who stole her sister's seat. For the first time in a long time, Marin has to step outside of her comfort zone as she explores the island with Lucas and learns what she's been missing out on. With each breathtaking new experience, Marin gets closer to her real self, the man she 's falling for, and the heart-wrenching truth about why she 's there in the first place.
