Featuring 100 photographs of Frank Sinatra working with orchestras and arrangers, listening to playbacks, and, of course, singing, this book tells the whole story of how he created the Sinatra sound and translated the most intense personal emotions into richly worked-out songs of unrivalled expressiveness. Revealed is how, in addition to introducing and perfecting a unique vocal style, Sinatra was also his own in-studio producer—personally supervising every aspect of his recordings, from choosing the songs and arrangers to making minute adjustments in microphone placement.
