“This is one of 13 romance novels that should be on every woman's bucket list.”--Bustle.com I had the craziest idea when I decided to auction my virginity online. I have reasons for it. Good reasons. My mom’s hospital bills, for one. My medical school tuition, for another. By day, I’m a student and popular gaming blogger, but my dream is to become a doctor. This auction could free me from a crushing pile of debt and give me the cash I need to make my dreams a reality. And honestly, I’m also looking forward to cashing in that troublesome V-card. Win, win. My rules are set in stone: One night, then no further contact with the auction winner. Enter Adam Drake, the brilliant gaming company CEO and multimillionaire. He won my auction. He’s young, driven, and so damn sexy. It’s frightening how attracted I am - though I’d never admit it. And it’s clear I’ll need to protect my heart. But Adam is used to making the rules and before I can catch it, he’s found a loophole. Every stipulation I made to protect myself is getting tossed by the wayside. I can’t help but wonder... Is he playing me? Or is he playing for keeps?

There are raw emotions in these books.” --Random Musesomy Book Blog This [Theo and Lizzy] series just takes my breath away. Breathless!!!! That’s how this book made me feel from beginning to end. It was one of those books I just couldn’t put down until some of my questions were answered. I was constantly on the edge of my seat anxiously hoping it would turn out the way I hoped. I had this same sense of anxious excitement from the very first book of this series and it has not left me yet. I cannot wait for the next book. Ms Babylon is a genius,who proves every skeptic who says all romance novels are alike, wrong! I haven't cried this much about a book in forever! I mean I literally cried through the final 20 pages of Xan & Georgie's book... I mean I tear up every time just thinking about it. Ever had a book that touches your romantic spirit? Ever had a book that breaks your heart? Ever had a book that touched your musical soul? Well this one does that. Maxence’s brother was trying to kidnap or kill him, and an organized crime thug wanted to cut off Max’s head and feed it to the sharks for entirely different reasons. So, when a cute little blonde stood up on a barstool in the middle of the Buddha Bar in Paris and drew the attention of the wrong sort of guys, Maxence swooped in for the rescue. Everything about her appealed to him: her sweetness, her giggliness, and especially the fact that she was in trouble. That last part made her sugar and catnip to Max. Luckily, he only had five days before he left Paris and Europe for wherever his global charity job was going to send him this time. Why not spend it with the funny blonde who insisted he lie to her? Indeed, if she thought everything he said was a lie, he could confess his sins, unburden his soul, and reveal what he thought he never could. hotel room. *** My life has become a sad country music song, but instead of heading south, I went to Paris. I was a good girl who had nothing left to lose, literally. My boyfriend had stolen everything. Everything except a non-refundable plane ticket to Paris, which was supposed to be the trip of a lifetime where that deadbeat was going to propose at the top of the Eiffel Tower. So, I got on the plane without him. After all that, it was understandable that when I started drinking at the Buddha Bar, things got a little out of hand. Luckily, a man intervened. He was so ripped that I could see every thick muscle of his abs, obliques, chest, and arms through the tight tee shirt he was wearing. He towered over the guys who were bothering me, and they backed off. I took him back to my hotel because I was full of drunken, bad decisions that night. The last thing I needed was a man who wanted to save me when I was trying to do all the wrong things.
