The GSX-1250FA comes with 3 years unlimited mileage warranty and a toolkit situated under the bike seat with little room for anything else other than the service book. The bike has an adjustable seat height and mine is set at the lowest setting of 805mm which works very well with my 33" inside leg dimensions without any leg or rear end discomfort when my feet are on the pegs.

Derived from the much acclaimed Bandit 1250, the new 2010 GSX1250FA is decked out in a full fairing and front air intakes and vents, as well as a triangular headlamp reminiscent of the 2006 GSX-R1000. I commend Suzuki for this simple and very effective way of transforming and improving one of their best and most popular models.
