Depression and anxiety are now at epidemic levels. Why? Across the world, scientists have uncovered evidence for nine different causes. Some are in our biology, but most are in the way we are living today. Lost Connections offers a radical new way of thinking about this crisis. It shows that once we understand the real causes, we can begin to turn to pioneering new solutions – ones that offer real hope.

This approachable Lent course invites us to view sin as something to be understood, rather than condemned. It argues that our darker traits must be coaxed into the light in order to manage them and work towards healing and renewal. An intriguing choice for both personal and group reflection.

'My name is Emma Cartwright. Three years ago I was Susan Webster, and I murdered my twelve-week-old son Dylan. I was sent to Oakdale Psychiatric Institute for my crime, and four weeks ago I was released early on parole with a new identity, address, and a chance to rebuild my tattered life. This morning, I received an envelope addressed to Susan Webster. Inside it was a photograph of a toddler called Dylan. Now I am questioning everything I believe because if I have no memory of the event, how can I truly believe he's dead?'

Pastor Tracy Wilde reflects on the absence of empathy in today ' s world and shares how Christians can renew their compassion to help unify not only the church, but society as well, in this timely and refreshing guide. Achieving meaningful relationships and cultivating lasting connections with others are often some of the most valuable experiences of our lives. So why can it sometimes feel so difficult to relate to the people around us if we all share the same human desire to bond? In Finding the Lost Art of Empathy, Tracy Wilde addresses the reasons why we struggle with showing empathy toward others and explains why we ultimately avoid it—and even avoid contact with others altogether. She explores the different facets that have promoted isolation instead of community and provides the antidote for a more unified, loving, and empathetic society. Inspirational and encouraging, Wilde inspires us to self-reflect and remove whatever obstacles from our lives that may be blocking our way to true fulfillment in our relationships—and living life the way God intends us to.

Two young lovers in pre-war Prague are torn apart by the Nazi invasion only to meet up again decades later in New York City for another chance at romance in this novel from the author of the The Last Van Gogh. Original. 75,000 first printing.

To alleviate a crisis, you have to get to its source, not just treat the symptoms. Many say they are leaving the faith as the result of conscious intellectual doubts or relational hurts. But often, what ' s driving the doubt is just outside of one ' s conscious awareness. Unbeknownst to those struggling—and those trying to help them—these unconscious factors can be the actual source from which their doubt springs. Before You Go is a diagnostic tool for addressing doubts. Rather than rehash surface-level apologetic answers, Marriott and Wicks dig deeper into overlooked factors that frequently are the real culprits when it comes to faith crisis, namely the unconscious aspects of our experience. Find real hope for those struggling to maintain their faith and genuine help for those trying to prevent faith loss in those they love.

' Incredibly moving, it ' s beautifully written and page-turning ' Susan Lewis

Do you ever feel lost in this world and wonder which direction to go? Do you feel like you need to find yourself because a piece of you is missing? Or do you just need a friendly push in the right direction? Life can get so busy and chaotic that we sometimes feel like it has taken over and we are losing control of where we were going. There can be too many outside influences that keep us from focusing on ourselves as a person. "Finding You and Your Direction" will help guide you with getting back on track. There are eleven ways that have been broken down to help you get back on the path you need to be on. From values to heartache. Life changes to enjoying this moment in life. Get inspired to keep moving forward in life and looking back only to see how far you have come.

In this comprehensive handbook, the sixth and final season of the wildly popular television series "Lost" is discussed. Includes never-before-seen photos, an analysis of each episode, an episode guide, and biographies of the actors.
